Applications Accepted for 2016 National Park Service Youth Conservation Corps Program at Lincoln Boyhood National Memorial

Lincoln Boyhood National Memorial is accepting applications for the National Park Service Youth Conservation Corps (YCC) program for the summer of 2016.

The YCC program is a well-balanced, work-learn-earn program, which develops an understanding and appreciation of the Nation's environment and heritage. Administered by the National Park Service, the program offers gainful summer employment to young people in a healthful, outdoor atmosphere.

All applicants must be at least 15 years of age before June 6, 2016 and must not reach 19 years of age before July 29, 2016.

Applications must be received no later than 4:00 p.m., April 8, 2016. Up to six applicants will be selected for employment by a random drawing that will be held on April 11 at 3:30 p.m. in the Memorial Visitor Center. The youth leader will earn \$7.80; other employees will earn \$7.25 per hour. For more information, contact Kristi Brown at 812-937-4541.
